20 Years of experience

Professional Bio:

Sarah Kigozi-Musibala, is a seasoned Administrative Professional with over a decade of experience supporting executive operations in international development settings. She holds a Bachelor's Degree in Secretarial and Office Management Studies and a Postgraduate Diploma in Public Administration.

Sarah spent ten years with the U.S. Centers for Disease Control and Prevention (CDC) Uganda as an Administrative Assistant in the Operations Branch, where she provided high-level administrative and logistical support. She later transitioned to USAID/Uganda, serving as Administrative Assistant to the Health Office Director, where she managed the Director's calendar, coordinated bi-weekly Health Office meetings, and served as the primary point of contact to ensure office processes and procedures ran efficiently.

Skills & Expertise:

Program/Project Management; Other: Administration and Management(Human Resources)

Sectors of Work:

Public Health; International Development

Languages Spoken:

English

Sarah takes pride in fostering effective communication, maintaining organizational excellence, and creating a collaborative environment where teams can thrive. She enjoys engaging with professionals from diverse backgrounds and continuously learning from new experiences to achieve shared goals.
